

UNIMORE
UNIVERSITÀ DEGLI STUDI DI
MODENA E REGGIO EMILIA

TECHNOLOGY AREA
“Enzo Ferrari” Department of Engineering

Call for Applications for the International Interuniversity Master’s
Degree Programme in

ADVANCED AUTOMOTIVE ENGINEERING

(Class LM-33)

in collaboration with the Universities of Bologna, Ferrara, and
Parma
partner companies:

**Automobili Lamborghini spa, Dallara Automobili spa, Ducati
Motor Holding spa, Ferrari spa, Haas F1 Team, HPE srl,
Magneti Marelli spa, Maserati spa, Pagani Automobili spa,
Scuderia Toro Rosso spa**

**RESERVED TO ITALIAN, EUROPEAN AND NON-EUROPEAN
STUDENTS WHO ARE LEGALLY RESIDING IN ITALY**

Academic Year 2019/2020

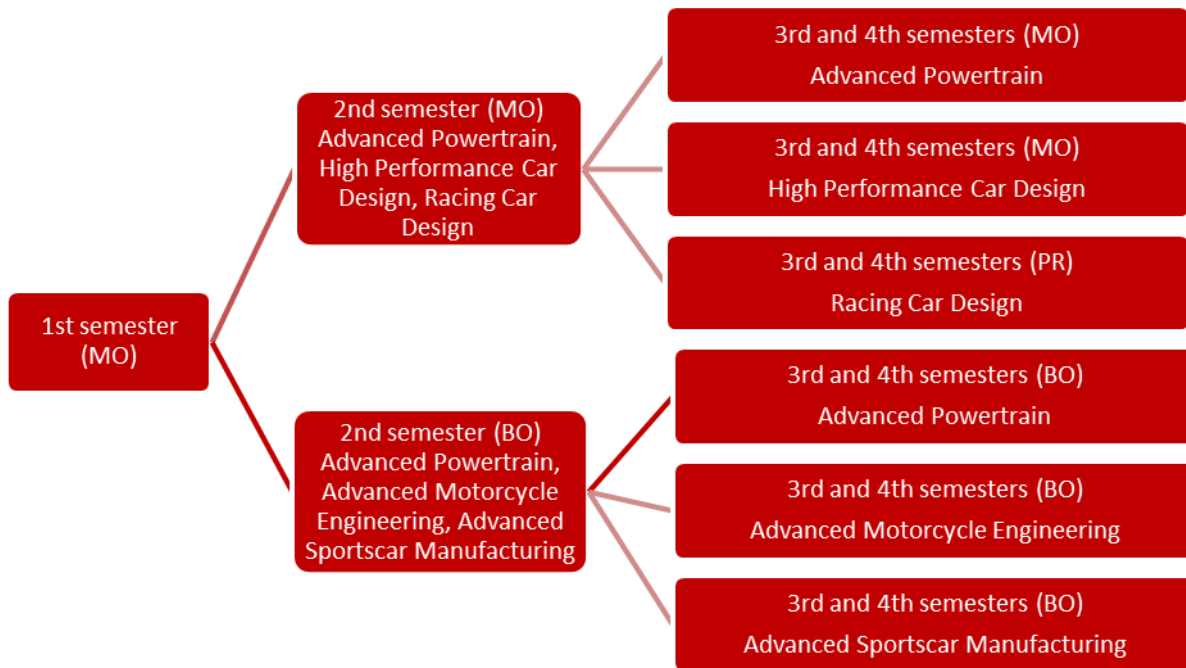

The course is entirely taught in English

1. SUBJECT

At the University of Modena and Reggio Emilia, from 08/05/2019 to 26/07/2019 applicants may submit their online applications for the admission to the Master’s Degree Programme in Advanced Automotive Engineering; the programme includes six courses:

- Advanced Motorcycle Engineering
- Advanced Powertrain - Bologna
- Advanced Powertrain - Modena
- Advanced Sportscar Manufacturing
- High Performance Car Design
- Racing Car Design

The places available are **96 (sixteen for each curriculum)**, all reserved to Italian, European and non-European students who are legally residing in Italy.
 The courses are held at the Universities of Bologna (BO), Modena and Reggio Emilia (MO), and Parma (PR) as shown in the figure below (Figure 1):

Picture 1: course breakdown at the Universities of Bologna (BO), Modena and Reggio Emilia (MO), and Parma (PR).

Any places reserved to non-European/international students requiring an entry visa for Italy, that are left vacant, will be made available to Italian, European and non-European/international applicants who are legally residing in Italy.

The reference person of the study programme is Professor Francesco Leali

2. QUALIFICATIONS AND KNOWLEDGE REQUIRED FOR THE ADMISSION

The eligibility requirements for the Master's Degree Programme are as follows:

- **Applicants must hold one of the following study qualifications:**
 - University Degree;
 - Three-year University Diploma;
 - Specialist Degree or Master's Degree, pursuant to DM 509/1999 or DM 270/2004.
 - Five-year University Degree (ante DM 509/1999)

obtained with a minimum score of 95/110 or anyway not lower than 86% of the maximum possible score or corresponding to the score obtained from the best 35% of students, if the qualification has been obtained abroad, and deemed equivalent to them.

The selection is also open to those applicants still not holding the degree (prospective graduates), provided that they have obtained at least 150 university credits (or at least 83% of the ECTS required by the degree programme) by 26/07/2019, deadline for enrolling in the selections, and that the qualification required is obtained by 20/12/2019. Those applicants who do not obtain the degree by that date will be excluded by the procedure, even if they are in the winning list and have already enrolled.

The knowledge required for accessing this programme refers to an adequate mastery of general scientific methods and contents in basic disciplines (Mathematics, Information Technology, Statistics, Physics and Chemistry) and in engineering disciplines that are preparatory for the distinctive subjects of the degree programme.

For applicants possessing an Italian study qualification, the curriculum requirements to access the programme are a minimum of 85 credits in the scientific disciplinary sectors (SSDs) as shown in Table 1 below, also referring to the minimum requirements set in Table 2.

- **Knowledge of the English language** at a suitable level to use texts of the sector and follow the classes and seminars provided in English, **at least equivalent to the B2 level of the European common framework**. The following documents shall be provided:

- Certificates as shown at the following link:

http://www.clamore.unimore.it/downloads/page_attachments/0000/1324/tabella_certificazioni_nove_mbre_2017_inglese.pdf

- University exams of the English language providing teachings of B2 level, documented by a statement of the home University;

- English mother-tongue countries of origin (foreign or Italian citizens who are fluent in their language of origin as a consequence of their family or language experience shall be considered of foreign mother tongue);

The curricular requirements for the enrolment will be evaluated by a specific Board, which will analyse the study curriculum submitted.

3. SUBMITTING THE APPLICATION

Applications may be submitted online only from 2 May 2019 to 26 July 2019 at 1pm by logging in to the website <http://www.esse3.unimore.it>

The procedure is as follows:

- Register to the Esse3 website. Provide personal data, place of birth, residence, domicile, telephone number and e-mail address.
If the registration is successful, a username and a password (personal data) will be displayed and are required for the next steps.
Login data will also be emailed to the student.
- Login and enter username and password to access the personal area in Esse3.
- Select "Admission" and the degree programme from the list provided.

Each applicant may submit only one application, which shall mandatorily indicate the order of preference of the following six courses:

- Advanced Motorcycle Engineering
- Advanced Powertrain - Bologna
- Advanced Powertrain - Modena
- Advanced Sportscar Manufacturing
- High Performance Car Design
- Racing Car Design

The order of preference indicated in the application is binding and CANNOT be changed later.

At the end of all call for applications procedures for the enrolment to the Degree programme, enrolled students may submit a request for changing the curriculum, following the instructions provided in the specific notice published at the link <https://www.unimore.it/bandi/StuLau-Avvisi.html> and will be evaluated by the Degree Programme Council.

When submitting the application, applicants must provide the data of the required study qualification and attach the following documents:

1. Self-declaration of the university career, indicating the scores obtained in each single examination, the number of credits (CFUs), and the relevant scientific disciplinary sector (SDS)
2. Detailed programme of the exams: for each teaching, indicate the detailed programme of the exam taken;
3. Certificate reporting the maximum degree score assigned by the foreign University where the qualification was obtained;
4. Language certificate stating the knowledge of the English language;

The attached documents listed above may be in Italian or English.

IMPORTANT: the application is correctly submitted only after saving the data and answering YES in the specific field **“Do you want to submit your application now?”** The application may now be printed. The Board WILL NOT assess candidates whose application HAS NOT been explicitly confirmed.

In the event that the attachments have not been correctly or fully submitted via the online procedure, after answering YES to the question “Do you want to submit your application now?” applicants may send an e-mail to segrstud.ingegneria@unimore.it providing a valid ID and explaining the issue. Should it be necessary to re-open the application to change the documents attached or attach new ones, please note that **the applicant is responsible for making the application final and closing it, to avoid exclusion from the evaluation.**

Paying the expense contribution

When submitting the application, a non-refundable payment of € 55,00 is required, to be made as outlined on the website www.unimore.it/ammissione/pagamentimav.html following the procedure described in 12)

Applicants must ensure that the payments made have been received by checking their personal page in esse3, "Tax" section. If the payment is not posted on the esse3 website AFTER 4 WORKING DAYS since the payment date, by 01/08/2019, applicants shall submit the payment receipt to the Registrar's Office of the "E. Ferrari" Department of Engineering, via Campi 213/b, 41125 - Modena by handing it over in person at the till or sending a copy via email to segrstud.ingegneria@unimore.it and attaching a valid ID. Applicants are also advised to check that their payment has been correctly made, by contacting the Bank taking charge of it.

4. SUPPORT FOR DISABLED APPLICANTS

a) Applicants with disabilities

Pursuant to law no. 104 of 5 February 1992 as amended and supplemented, applicants suffering from disabilities and willing to request aids and/or compensatory and dispensatory measures for taking the exams, shall upload the relevant application and suitable medical certification on the website www.esse3.unimore.it when submitting the APPLICATION.

b) Applicants with diagnosis of SLD

Pursuant to Law no. 170 of 8 October 2010 as amended and supplemented, applicants suffering from Specific Learning Disorders (SLD), proven by proper certification issued in the last 3 years by institutions of the National Health Care System or specialists and facilities accredited by it, and willing to apply for aids and/or compensatory and dispensatory measures for carrying out the tests, are given an extra time equal to 30% more than the time set and/or compensatory and dispensatory measures (Art. 11 M.D. no. 85 of 5 February 2014). To that purpose, the relevant request and suitable certification shall be uploaded on the website www.esse3.unimore.it when submitting the APPLICATION.

Based on the characteristics of the single applicants, the following documents shall be provided:

- Diagnosis of SLD
- Statement of legal disability
- Certification pursuant to law 104
- Application form for compensatory and dispensatory measures, which may be downloaded from the link <http://www.asd.unimore.it/site/home/articolo760030992.html>

The original copies of the documents attached shall also be provided, by prior appointment, at the Welcome Office for Students with Disability and Specific Learning Disorders of UNIMORE.

Based on the documents received and jointly with the Selection Board, the Rector's Delegate for Disability and Specific Learning Disorders defines the modes and additional time agreed for taking the tests.

Disabled students willing to apply for the exemption or the reduction of university fees shall submit an online request through the website www.er-go.it.

5. RESULTS OF THE TEST ASSESSING THE QUALIFICATIONS AND KNOWLEDGE REQUIRED FOR THE ADMISSION

The results of the tests evaluating the qualifications and knowledge required for the admission by the examining Board appointed by the "Enzo Ferrari" Department of Engineering will be made available on the website <http://www.unimore.it/bandi/StuLau-Avvisi.html> by 9/08/2019.

6. ADMISSION TEST AND SELECTION PROCEDURE

The selection criteria are the career assessment and the admission test.
The maximum possible score is 240/240.

The test will take place on

FRIDAY 6 SEPTEMBER 2019 at 11

at the Teaching Office of the "E. Ferrari" Engineering Department, Via Pietro Vivarelli, 10 –
41125 - Modena

The actual distribution of the applicants in the different classrooms and details of the classrooms where the test will be held will be disclosed by 30 August 2019 by means of specific notices placed at the entrance of the Educational Service Centre and published at the link <http://www.unimore.it/Bandi/StuLau-Avvisi.html>.

No personal communication will be provided.

When taking the admission test, all applicants must have a valid personal ID with them.
Failure to show the above document on the day of the test will result in the exclusion of the applicant from the selection.

Applicants must arrive in the Classrooms strictly by 8:30am. The test is in English and lasts **180 minutes**. It starts at **11am** once all applicants have been identified.

Applicants are all required to stay at the place of the test until the end of the time assigned for it, and anyway until all operations of handing out the documents of the test are completed, pursuant to the procedures described in the instructions provided before the beginning of the admission test.

The written test is made of **60 queries**, each with five answer - applicants must select only one answer and discard the wrong, arbitrary or least likely ones - and **2 open queries** on topics chosen among the following:

- Fluid machinery
- Energy systems, power generation and internal combustion engines
- Thermal engineering and industrial energy systems
- Mechanical and thermal measurements
- Mechanics of Machines
- Mechanical design and machine construction
- Design methods for industrial engineering
- Manufacturing technology and systems
- Industrial mechanical plants
- Power electronic converters, electrical machines and drives
- Information processing systems
- Business and management engineering
- Electronics

The scoring assigned for the 60 queries is as follows:

- 1.5 points for each correct answer;
- -0.4 points (subtracted) for each wrong answer;
- 0 points for each missing answer;

The scoring assigned to the 2 open questions is as follows:

- a maximum of 15 points for each query

The maximum scoring for the written test is therefore 120 points.

Career Average: up to 120 points. The scoring is calculated as follows: the weighted average of the career, made only of the examinations passed and duly recorded, excluding the partial examinations taken during the year, such as, for example, the modules of integrated examinations, expressed in thirtieths, is divided by 30 and multiplied by 120, with a decimal and rounded up or down to the closest decimal. For example, average of 28.2 $> 28.2/30 * 120 = 113$

7. RANKING

For each course, a ranking will be drawn up based on both the results of the test and the requirements and knowledge for the admission, and the preferences indicated by the candidates in the application. It will be made available by 13/09/2019 on the website <http://www.unimore.it/bandi/StuLau-grad2.html>.

It will be displayed on the reserved area of the website after logging in with username and password provided by the Esse3 system.

The ranking will be drawn up with a score out of 240ths

*Applicants are only entered in the ranking of the course to **which they have given their preference, among those in which they have obtained a useful ranking**, and in the rankings of the courses in which they have not obtained a useful ranking but have indicated a higher priority.*

Some examples are given below:

Example no. 1: the test score ranks the applicant high enough to enrol only in the sixth-choice course: in this case the applicant remains in the rankings of fifth, fourth, third, second and first choice for any possible future "reassignment", for which please refer to point 9 "Assignment of vacant places".

Example no. 2: the test score ranks the applicant high enough to enrol only in the third-choice course: in this case the applicant remains in the rankings of second- and first-choice courses and is removed from the rankings of the fourth-, fifth- and sixth-choice courses.

Tie ranking

In the event of a further tie, the youngest student shall prevail.

8. ENROLMENT OF APPLICANTS STILL LISTED IN THE RANKING

1) STUDENTS WITH AN ITALIAN STUDY QUALIFICATION

From the day when the ranking is published and until 1pm of 20/09/2019, the applicants ranking within the maximum number of places available for the selection (winners) in the final rankings shall enrol online by accessing the website www.esse3.unimore.it in the "enrolments" section and following the procedures described in the "Guide to the enrolment" available at the link <http://www.unimore.it/ammissione/immajsc.html>.

Filling out the enrolment application and paying the first fee instalment does not automatically result in the student's enrolment.

Subject to a verification carried out by the relevant offices, the enrolment is complete when the applicant is emailed a notification and sent a text message within seven working days following the payment receipt.

Any mistakes detected in the online enrolment completed by the applicant will be communicated to the email address provided when registering to ESSE3.

NOTE: payments made after the enrolment deadline SHALL NOT be valid for enrolment purposes.

- a) Before starting the procedure, make sure you have the following documents available in an electronic format:
 - passport photo
 - double-sided copy of a valid ID
 - copy of the residence permit (for non-EU students residing in Italy)
- b) Filling out the online enrolment: applicants shall use the username and password received when registering to ESSE3 to access the Reserved Area of the website www.esse3.unimore.it and select "Enrolment" to confirm the data entered when submitting the application.
- c) Once the procedure described above is complete, it will be possible to print the enrolment application and the payment form of the 1st instalment of university fees and taxes.
The payment must be made by **20th September 2019** based on the instructions outlined in 12 below.

Payment of the first instalment is received by the ESSE3 University system after the bank transfers it. The payment transfer from the Bank to the University may require even 3 or 4 days. The transfer is immediate only for payments by credit card.

Applicants are responsible for checking that their payment has been entered in the tax section of their personal ESSE3 page.

If the payment transfer does not appear in ESSE3 by 27 September 2019, applicants shall send the payment receipt to the University by email to segrstud.ingegneria@unimore.it by 1 October 2019.

- d) Applicants who are entitled to enrol but do not complete the above procedure by the set deadlines will be deemed to have withdrawn. Vacant places will be made available for suitable applicants and assigned according to the ranking order.

Applicants not holding the qualification required for the enrolment, in their position of prospective graduates shall update the information on degree date and score by and no later than 20/12/2019 by accessing their personal section in Study Qualifications (except for UNIMORE prospective graduates, for whom the information will be automatically uploaded on the system)

2) STUDENTS WITH A FOREIGN STUDY QUALIFICATION

Applicants will be able to enrol from the day when the ranking is published and until **1pm of 20/09/2019**. Students shall **go in person** to the Registrar's Office located in Modena at the address via G. Campi 213/B. Opening times are available at the link <http://www.unimore.it/servizistudenti/segreteriestudenti.html>

Applicants need to go in person and bring the following documents:

- Copy of the residence permit (for non-EU students residing in Italy)
- Double-sided copy of a valid ID
- Passport photo.

Those already holding the study qualification shall also hand over:

- Copy of the declaration of value of the university degree, issued by the Embassy/Consulate;
- Copy of the degree certificate, issued by the University in which the degree was obtained, with relevant translation and legalisation (it is also accepted in English).

The Registrar's Office, after verifying the correctness and completeness of the documents submitted by the student, will issue the tax slips and confirm the enrolment once the enrolling student has paid the first fee instalment, not later than **1pm of 20/09/2019**.

In order to finalize the enrolment, students still not holding their study qualification shall **go in person** to the Registrar's Office located in Modena at the address via G. Campi 213/B and hand over the following documents by **1pm of 20/12/2019**:

- Copy of the declaration of value of the university degree, issued by the Embassy/Consulate;
- Copy of the degree certificate, issued by the University in which the degree was obtained, with relevant translation and legalisation (it is also accepted in English);

9. ASSIGNMENT OF VACANT PLACES

The places that are still available after the enrolment operations will be communicated only in a notice published on the University website <http://www.unimore.it/bandi/StuLau-Avvisi.html> on 4 October 2019. Such places will be assigned to the applicants in the ranking list for that specific course, on top of the available places, based on the merit ranking criteria.

The new ranking of admitted students will be published on the same day, drawn up based on the criteria listed above; students entitled to enrol will be able to complete the enrolment by following the procedures described in point 8 by **1pm of 11 October 2019**.

Applicants who have already enrolled in the 6th, 5th, 4th, 3rd and 2nd choice course and are assigned a place of a higher preference will be automatically moved to said course and leave their original place vacant. This assignment procedure of places will be repeated also in further ranking movements.

As the order of preference of the study programmes indicated in the selection application is binding, the transfer made by office rules after the assignment of a higher preference place is irrevocable.

If there are still places available, the ranking will be drawn up again according to the schedule indicated in the table below:

Notice for vacant places	16 October 2019
Publication of the list of admitted applicants after the 2nd ranking move	18 October 2019
Enrolment of admitted applicants after the publication of the 2nd ranking shift	from 18 to 24 October 2019
Notice for vacant places	29 October 2019
Publication of the list of admitted applicants after the 3rd ranking shift	5 November 2019
Enrolment of admitted applicants after the publication of the 3rd ranking move	from 5 to 11 November 2019

If there are still vacant places after the enrolment procedures of the 3rd ranking move, a notice will be published at the link <http://www.unimore.it/bandi/StuLau-Avvisi.html> with the schedule of further moves, to be carried out following the same procedures and rules of the previous moves.

The ranking is moved down until and no later than 20 December 2019.

10. TRANSFERS FROM OTHER UNIMORE PROGRAMMES - TRANSFERS FROM OTHER UNIVERSITIES AND REQUESTS FOR THE RECOGNITION OF EDUCATIONAL ACTIVITIES

- a) Admitted applicants who are already enrolled in another programme at the University of Modena and Reggio Emilia must submit an application for requesting the **transfer from another programme** at the Registrar's Office of their home university **by the enrolment deadline**. Then they must submit a statement confirming the request from transfer from another programme to the Registrar's Office of the "Enzo Ferrari" Department of Engineering by using a form that is available at the link <http://www.unimore.it/servizistudenti/modulistica.html> .

Students failing to comply with the above-mentioned obligations will be tacitly deemed to have withdrawn, regardless of their reasons for the delay, and will lose their position in the ranking and their right to enrol.

- b) Admitted applicants who are enrolled in another study programme of another university:

- * if they want to be transferred to another programme, they must submit a transfer request at their home university. If their home University requests a transfer approval, students may contact the Registrar's Office of the "Enzo Ferrari" Department of Engineering and ask for such approval to be issued. Then they shall fill out an online enrolment application by selecting "Enrolment for transf. from another Un." and pay the first university fee and contribution instalment by the enrolment deadline provided for in this call for applications, following the procedure already described in point 8. When filling out the enrolment application in Esse3, students will have to attach the "Enrolment for transf. from another Un." form, available at the link <http://www.unimore.it/servizistudenti/modulistica.html> .
 - * if they want to withdraw from the programme, they must submit a relevant request at their home university. Then they shall fill out an online enrolment application by selecting "Withdrawal" and pay the first university fee and contribution instalment by the enrolment deadline provided for in this call for applications, following the procedure already described in point 8.
Students failing to comply with the above-mentioned obligations will be tacitly deemed to have withdrawn, regardless of their reasons for the delay, and will lose their position in the ranking and their right to enrol.
- c) Admitted applicants who do not move from another programme or do not make a transfer from another university, but are requesting the validation of their previous university educational activities must enrol (fill out an online enrolment application by selecting "Recognition of previous studies") and pay the first university fee and contribution instalment by the enrolment deadline provided for in this call for applications, following the procedure already described in point 8. When filling out the enrolment application in Esse3, students will be able to attach the "Recognition of educational activities" form, available at the link <http://www.unimore.it/servizistudenti/modulistica.html>, along with the documents they need to validate.
Alternatively, they may submit the above-mentioned documents to the Registrar's Office.

11. COSTS AND ALLOWANCES

The university fee amount is calculated based on the ISEE 2019 (Indicator of the Equivalent Financial Situation) certifying the economic situation of the student's household. Up to the ISEE threshold of € 23,000 euros, the NO TAX AREA rule applies. Above that threshold, university fees are calculated on a progressive basis. For the calculation of the university fees based on the student's economic situation, an online application shall be submitted by the deadlines set in the relevant call for applications. Students failing to submit the online application by the set deadlines or whose ISEE statement is higher than the threshold indicated in the call for applications will not benefit from a reduction of university fees.

The online application for determining the university fees, as well as the application for the scholarship, accommodation in university residences, hospitality services and other allowances, may be submitted online from the website www.er-go.it strictly by the deadlines set in the **Allowance Call for Applications**, even before the enrolment in the study programme.

The **Call for Applications will be published around mid July 2019**. Students are invited to pay attention to the various deadlines.

For further information and to check any update on the academic year 2019-20, please visit the website www.unimore.it/ammissione/tasse.html (currently being updated)

12. MEANS OF PAYMENT

Payment may be made:

- online by credit card, directly from the Esse3 website at the end of the electronic procedure
- at any bank counter in Italy (also using teller machines, phone-banking and internet banking of the banks providing such services), by filling in the specific MAV payment voucher (i.e. payment by notice)
- through the *Pago PA* circuit, which allows for **online** payments (choosing your Payment Service Provider - **PSP**) or, alternatively, **by printing the payment notice** and handing it over in person to Banks, ATM counters, or SISAL, Lottomatica and ITB sales points. If the applicant pay online, a confirmation email will be sent to the address s/he provided upon registration to the website, or to her/his University email address if any. Applicants will be able to print the payment receipt from their reserved area in Esse3 under the Tax section.

Check the payment deadline, in particular when making online transactions

Please note that the PAYMENT DATE SENT BY THE BANK or the PSP making the payment serves as proof of payment. For online payments, please check the bank or PSP terms and payment processing times, as to prevent the payment request from not being taken over and recorded on subsequent days, thus precluding the admission to the test or the enrolment.

13. PERSON IN CHARGE OF THE PROCEDURE

The person in charge of the procedure is Giuseppe Milano, who is responsible for the Registrar's Office. The office responsible is the Registrar's Office of the "E. Ferrari" Department of Engineering, ADVANCED AUTOMOTIVE ENGINEERING programme, tel. 059/2055637; e-mail: segrstud.ingegneria@unimore.it.

14. OFFICES AND REFERENCE LINKS

For IT issues on the application/assessment or to retrieve the esse3 log on credentials please e-mail webhelp@unimore.it

Assistance service opening hours: Monday to Thursday from 9:00am to 5:00pm and on Fridays from 9:00am to 2:00pm

For information on teaching (such as study programme, teachings, class timetables, reference professors) please contact the Teaching Office of the “E. Ferrari” Engineering Department, Via Pietro Vivarelli, 10 – 41125 - Modena www.ingmo.unimore.it. e-mail: tutor.dief@unimore.it.

For information on the call for applications contact the Registrar’s Office of the “E. Ferrari” Department of Engineering, Via Campi 213/b 41125 - Modena tel. 059/2055640; fax: 059/2055648, e-mail: segrstud.ingegneria@unimore.it

The opening hours are available on <http://www.unimore.it/servizistudenti/segreteriastudenti.html>

Welcome Office for Disabled and Dyslexic Students

Tel. 059/2058311 - Fax 059/2058309 – e-mail: disabilita@unimore.it

For issues relating to the online application for benefits and other allowances, please e-mail servizi.studenti@unimore.it

Website for submitting the application for benefits www.er-go.it

For information on the study programmes and educational offer, please contact **Informastudenti:**

email: informastudenti@unimore.it

Tel. 059/2058255 and 0522/523555

The opening hours and locations are available on:

<http://www.orientamento.unimore.it/site/home/orientamento-allo-studio-e-tutorato.html>

The Registrar’s Office and Informastudenti are closed from 12 to 16 August 2019
