1. Preliminary information

This Call for Applications is addressed to non-EU applicants with a foreign study qualification who are residing abroad and are applying for a Visa at the Italian Embassy/Consulate.

Admission to the Master's Degree in Electronics Engineering - Ingegneria Elettronica (class LM-29) is subject to an online application for evaluation of the background knowledge to be submitted by each applicant; the assessment interview will take place by **14 December 2022** based on the procedure described in this call for applications.

Enrolment must be completed no later than **21 December 2022**.

Italian and foreign applicants with an Italian study qualification, EU applicants (regardless of their residence), and foreign applicants who are legally residing in Italy and have a foreign study qualification eligible for the enrolment in the Master's Degree Programme in Electronics Engineering - Ingegneria Elettronica (class LM-29), shall follow the procedure described in the call for applications specifically issued for them, which will be published in March 2022 indicatively on the website <https://www.unimore.it/bandi/StuLau-Lau2V.html>

2. Qualifications and knowledge required

Applicants are required to possess:

- a) academic degree, Bachelor level, deemed suitable, obtained by 14 December 2022 with a grade higher than 2/3 of the maximum score (or to be obtained by 14 December 2022 and have an average of the exams passed higher than 2/3 of the maximum score)
- b) Level B2 (Common European Framework of Reference) language certificate, or alternatively a declaration by the university in which the applicant is enrolled confirming the required skill level.

- Currently valid certificates as shown at the link:

A list of the main international certifications recognised by UNIMORE is available at the following link: <http://www.clamore.unimore.it/it/certifications/info>

- University English exams providing B2 level, with a declaration issued by the home University as documental evidence;

- Bachelor's degree in English;

- English mother-tongue countries of origin (foreign or Italian citizens who are fluent in their language of origin as a consequence of their family or language experience shall be considered of foreign mother tongue);

The requirements and the knowledge will be verified by assessing the university career and possibly holding and interview. Applicants are required to submit an online application in order to be assessed.

3. Assessment of the academic background

The academic background will be made by a dedicated Board that will evaluate the knowledge of the basic subjects (Mathematics, Physics, Information Technology) that are typical of Engineering and of those typical of Information Engineering with specific reference to the basic knowledge of Electronics.

Such knowledge will be verified by assessing the university career; an interview may also be necessary.

Based on specific procedures provided in the Educational Regulation of the Master's Degree Programme in Electronics Engineering, if the study programme is not perfectly consistent with the requirements, the Board will evaluate the need to integrate the curriculum with an extra programme borne by the student to be successfully completed by 14 December 2022.

The study qualification obtained abroad must have a grade higher than the 2/3 of the maximum score in the system of the home university.

For the conversion of the degree score applies the conversion formula of foreign scores published on the website of the Ministry of the University to the following page http://attiministeriali.miur.it/media/240734/allegato_5.pdf.

4. Submitting an online application for evaluation

To submit their application, students must:

- register on the website www.esse3.unimore.it to get the username and password required for access to the Restricted Area. Please check that the e-mail address provided is correct in order to receive any future communications

(At <https://www.unimore.it/servizistudenti/vediallegato.html?al=1118> the "Guide to online registration for admission to Master's Degree Programmes" is available for download).

- after logging in, choose Registered/Student Area from the menu tab and enter the reserved area, then choose "Assessments and tests".

(At <https://www.unimore.it/servizistudenti/vediallegato.html?al=1101> the "Guide to the evaluation procedure for admission to Master's Degree Programmes" is available for download).

- after choosing the Electronics Engineering - Ingegneria Elettronica selection, answer 'Yes' to question: "Are you an International student with a foreign degree, residing abroad, applying for a visa through the Italian Embassy/Consulate?" then fill in the online application and attach the documents listed below:

1. **Certificate of the study qualification obtained and the degree mark.** Students who have not yet obtained the qualification must state the expected awarding date;
2. **List of the exams passed** reporting the date, the score obtained and the duration of the teaching programme in Italian or English ;

3. **List of any exams still to be taken;**
4. **Certificate reporting the maximum degree score assigned by the foreign University awarding the qualification;**
5. **Detailed programme of the exams:** for each teaching, indicate the topics studied and further examined in Italian or English;
6. **Other skills acquired and useful for the assessment** (e.g. IT skills, language skills, work experience, etc.).

IMPORTANT: the application is correctly submitted only **after saving the data and answering YES to the question** “Do you want to submit your application now?”

5. Amending or reopening an online application for evaluation

Should the applicant need to reopen the application and correct the data or add extra documents before the deadline of 14 December 2022, please send an e-mail to the Registrar's Office segrstud.ingegneria@unimore.it

6. Assessment Results

The Examination Board, appointed by the Interclass Board of the Master's Degree in Electronics Engineering of the “Enzo Ferrari” Department of Engineering, evaluates the qualifications and the documental evidence provided.

The results of the assessment will be made available to students at <http://www.unimore.it/bandi/StuLauesiti.html> by logging in with the credentials issued when registering on the ESSE3 portal and also sent via e-mail to the address indicated during registration.

The above-mentioned page will show one of the following results:

- **PASS:** the student's background knowledge is deemed suitable and the curricular requirements are met; as a consequence, if the study qualification has been awarded, the applicant may complete the final enrolment in the programme by following the instructions outlined in 7.
- **ADDITIONAL REQUIREMENTS:** after considering the admission requirements and the suitable initial preparation, the Board will indicate any weaknesses (so called educational debt) and the means to comply with them. Any educational debt shall be complied with before the enrolment and in any case by 14 December 2022 to ensure that the applicant has enough time to enrol by 21 December 2022.
- **FAIL:** in this case the examination board will state the reasons for evaluating the student's academic background as not suitable, or the curricular requirements have not been met. In this case, applicant will not be allowed to enrol.
- **INCOMPLETE APPLICATION:** if the Board decides that no assessment can be made as the required documentation is incomplete, the application will be labelled as “incomplete documentation” and it will be automatically from the next day reopened with status “not final application”. The applicant shall attach the missing documents and finally close the application for a new assessment.

The following may also appear:

- NOT FINAL APPLICATION: if the student has not explicitly confirmed the application by answering YES in the specific field “Do you want to submit your application now?”, hence the application cannot be assessed.
- FOR ASSESSMENT: the application has been submitted by the applicant, but the examination Board has not yet assessed the application

The examination board members are:

- Professor Luca Vincetti , email: luca.vincetti@unimore.it
- Professor Mattia Borgarino, email: mattia.borgarino@unimore.it
- Professor Carlo Augusto Grazia, email: carloaugusto.grazia@unimore.it

7. Enrolment procedure (degree programme)

Foreign citizens residing abroad and applying for a visa must follow the provisions and deadlines relating to academic year 2022-2023 indicated in the circular of the Ministry of University and Research on <https://www.studiare-in-italia.it/studentistranieri/> relating to access to study programmes. They must also comply with the annual definition of the quota reserved for them, approved by the University. For the Academic Year 2022/2023 the quota is of **no. 15** places reserved to non-EU students applying for a visa

7.1 Pre-enrolment on University for the purpose of obtaining a student visa

As indicated in the ministerial circular for access to study programmes, Non-EU applicants residing abroad and requesting a visa must pre-enrol on the UNIVERSITALY website by clicking on the link <https://www.universitaly.it/index.php/registration/firststep>.

The pre-enrolment application is automatically sent to UNIMORE for validation. UNIMORE will notify the Italian Consular Authority in the event of admission to the study programme.

Applicants have to upload the following documents on the Universitaly website:

- their passport
- a passport photo

Any further documents relating to their academic qualification may also be attached, including:

- **Original qualification with relative translation**
- **declaration of value**, issued by the Italian Embassy/Consulate in the country to which the school issuing the qualification belongs
or, alternatively
- **statements issued by ENIC-NARIC centres** such as the comparability certificate issued by the

Centro di informazione sulla mobilità e le Equivalenze accademiche (CIMEA) - website www.cimea.it/it/index.aspx For further information, visit the website www.cimea.it/it/servizi/attestati-di-comparabilita-e-certificazione-dei-titoli/attestati-di-comparabilita-e-di-verifica-dei-titoli-diplome.aspx

- **The list of exams taken in Italian or English**
- **Any language certificates issued in Italian or English**

Please contact the reference Embassy/Consulate as soon as possible to check the requirements and the documents needed for the visa to be issued.

7.2 Enrolment

Enrolment to the Master's Degree Programme in Electronics Engineering - Ingegneria Elettronica (Class LM-29) is reserved to "suitable applicants", i.e. those meeting the following requirements:

- they have completed the pre-enrolment procedure on the University website
- they got a student visa for Italy in time for the enrolment.

Enrolment: **11 July to 21 December 2022.**

The office responsible for enrolments is the Registrar's Office for the "Enzo Ferrari" Department of Engineering located in via Campi no. 213/b, Modena. Email address: segrstud.ingegneria@unimore.it
Opening times are available at the link <http://www.unimore.it/servizistudenti/segreteriestudenti.html>

For enrollment, the following documentation is required to be sent in advance via email to the address segrstud.ingegneria@unimore.it to the Registrar's Office:

1. Bachelor degree diploma, translated and legalised by the Italian Embassy/Consulate
Declaration of value of the university degree, issued by the Italian Embassy/Consulate in the country to which the school issuing the qualification belongs or alternatively a declaration by ENIC-NARIC centres.
For further information, please visit the website www.cimea.it/it/servizi/attestati-di-comparabilita-e-certificazione-dei-titoli/attestati-di-comparabilita-e-di-verifica-dei-titoli-diplome.aspx
