3. they pass the entrance test and are well placed in the rankings.

All applicants including those MOVING FROM ANOTHER UNIMORE DEGREE PROGRAMME or FROM A DIFFERENT UNIVERSITY must submit their APPLICATION FOR ADMISSION **by 9 August 2024** and be checked that they meet all the requirements for admission to the entrance test.

2. **by the date on which the application for admission is submitted**, to have obtained:

In this case, it is necessary, depending on the organisation of your university, to contact the University Language Centre, or a lecturer of English language, or the Director of the degree programme and obtain a signed declaration, written on headed letter, confirming the level of language competence achieved, to be attached to the application.

A list of the main international certifications recognised by UNIMORE is available at the following link: www.clamore.unimore.it/it/certifications/info

The attached documentation must be **in pdf format** and the file name must NOT contain any special characters (such as ' & % \$ " symbols)

The online application must be submitted by 9 August 2024

As reported in the Guide available on <https://www.unimore.it/servizistudenti/vediguia.html?gd=3Z>, the application (with an Italian degree qualification) **is made up of 2 parts**. The application is correctly submitted and visible to the Examination Board only if both parts are completed and closed.

FIRST PART

1. Access the website www.esse3.unimore.it to register. Those who are of legal age and in possession of an Italian document (identity card, passport, driving licence) must use SPID credentials by accessing 'Register with SPID'. Those who are minors or do not have an Italian document can register in Esse3 using the 'Registration' button. In both cases, if the registration is carried out correctly, you will receive UNIMORE credentials (user-id and password). The credentials obtained must be kept in order to take the admission test and access other services (e.g. using Wi-Fi or the UNIMORE App). If you already have UNIMORE credentials, please log in directly.
2. after logging into the reserved area, select "**Ammissione**" (Admission) from the menu
3. in addition to the degree class, also indicate the mark and date when the university degree was obtained, or the presumed university degree, if it has not yet been obtained;
4. select the LACOM call for applications and indicate **two foreign languages** choosing between English, French, German, and Spanish, which will be the languages of the ENTRANCE TEST and those studied during the degree programme
5. answer "Yes" to the option "*Conferma esplicita di validità della domanda*" (Do you want to submit your application now?) and on the next screen select "*Salva i dati*" to save your data.

Now it is possible to access the SECOND PART

1. Select "*Completamento domanda*" (complete the application) to connect to the link <https://siaweb.unimore.it/private/valutazionilm/default.aspx?aa=2024&TestId=64> (the link opens a page that prompts the user to re-enter username and password);
2. attach your **CURRICULUM VITAE IN EUROPEAN FORMAT** – compulsory for all applicants, including UNIMORE graduates and undergraduates

3. attach the **ENGLISH LANGUAGE CERTIFICATION of at least B2 level** or, alternatively, a certificate issued by the home University and stating the required level of knowledge (Language Centre or a lecturer of English language, or the Director of the degree programme). These documents are required **only if the English language skills are not reported in the list of examinations taken in the university career**;
4. additional **NOTES** may be included, to be submitted to the Evaluation Board
5. as for the **UNIVERSITY CAREER**, please note: the procedure differs depending on whether the DEGREE has been awarded (or will be awarded) from UNIMORE or from ANOTHER UNIVERSITY.
 - a) UNIMORE graduates and undergraduates who have properly completed the previous stages of the admission application will see their UNIMORE university career data AUTOMATICALLY RETRIEVED with the date and time of the submission of their LACOM application. They will have to check whether all the information retrieved from Esse3 is correct and report any mistakes to segrstud.studilinguistici.culturali@unimore.it
 - b) On the other hand, graduates and undergraduates of OTHER UNIVERSITIES must:
 - **ATTACH their self-certification of the examinations taken**, preferably downloaded online from the website of the home university, **in the “carriera” (career) section**, so that the Evaluation Board can verify the possession of the requirements.
 - **ENTER In the “carriera dello studente” (student career) section the details of the above examinations**, relating to their university career, and report any credits, SSDs and marks obtained. There is no need to attach the study programmes.

PLEASE NOTE

The Evaluation Board will not be able to count the exams in the calculation of credits required to meet the curricular requirements if an SSD is wrong or missing. As a consequence, this could jeopardise the eligibility and participation in the entrance test.

If the course/module does not have ANY REFERENCE SSD (e.g. an internship), type NN. Please use the indefinite sector code (NN) only where no specific SSD is actually assigned to the course/module.

6. **Finalise application** by selecting the appropriate button.

IN BRIEF - THE APPLICATION HAS BEEN PROPERLY SUBMITTED if:

FIRST PART

- you have answered “yes” to the option “*conferma esplicita di validità della domanda*” (Do you want to submit your application now?) and selected “*salva i dati*”

SECOND PART

- you have accessed the “completamento domanda” section

(at the link <https://siaweb.unimore.it/private/valutazionilm/default.aspx?aa=2024&TestId=64>)

- you have attached your Curriculum Vitae (European format) in PDF format

- you have attached (if level B2 is not indicated in the career) the PDF format of English B2 certification or University statement

- (for graduates or undergraduates from UNIMORE) if you have checked that the career retrieved automatically from Esse3 is correct

- if you have closed the application by selecting the “*Rendi definitiva la domanda*” (Finalise the application) button

PLEASE NOTE

-If when accessing the application you can still see the buttons “*Esci senza rendere definitiva la domanda*” (Exit without finalising the application) and “*Rendi definitiva la domanda*” (Finalise the application), it means that the application is not closed, so it cannot be assessed

by the Board, but you can make changes, within the deadline

-If the application has been confirmed, you will see the message "Domanda Definitiva" (Final Application).
